# CONSTITUTIONS

OF THE

SOCIETY of STEWARDS and SUBSCRIBERS

For MAINTAINING and EDUCATING

POOR ORPHANS of the CLERGY

Till of Age to be put APPRENTICE.

**T**HE greater Part of the Clergy of the established Church, being little able to support their Families in their Life-time, much less to leave them a competent Provision afterwards, the Piety of our Ancestors established THE CORPORATION FOR RELIEF OF THE POOR WIDOWS AND CHILDREN OF CLERGYMEN: Which laudable Charity *The Stewards of the Feast of the Sons of the Clergy* have of late Years endeavoured to improve, by an annual Collection for putting out some of those unhappy Orphans to reputable Trades. But as there still appeared wanting a Fund for the Maintenance and Education of the more helpless Part, who by Reason of their tender Age are not qualified to obtain the Benefit of either of these Institutions, several Well-wishers to both, being desirous to create such a Fund, and at the same time to promote a constant Succession of Stewards of the said annual Feast, did, upon the 8th Day of *June*, 1749, form themselves into a Society, and agree to submit to the following Constitutions:

I. There shall be a Monthly Meeting of such of the Members of this Society as please to attend, at the *Queen's-Arms Tavern* in *St. Paul's Church-yard, London*, upon the last *Thursday* in every Month, at Seven o'Clock in the Evening in Winter, and Eight o'Clock in Summer, in order to transact the Business of the said Charity.

II. A Chairman, Deputy Chairman, Treasurer, and Secretary, shall be annually elected at a general Meeting in *February*, to be held at Five o'Clock in the Afternoon; but in Case of any Vacancy within the Year, the same to be supplied, for the Remainder of that Year, at the next Monthly Meeting.

III. Any Gentleman or Lady, being Members of this Society, shall in all Cases be permitted to vote or ballot by Proxy, given to any other Member, signified by Letter to the Chairman.

IV. None of the Constitutions of this Society shall be repealed or altered; nor any new ones established, but at the said general Meeting in *February*.

B

V.

V. Every Member shall, on his Admission, subscribe an annual Sum of *One Guinea* or upwards, towards the charitable Purposes of this Society.

VI. The said Subscriptions shall be paid annually to the Treasurer, for the Time being, on or before the general Meeting in *February*; of which the Secretary shall give or send Notice to the several Members, some reasonable Time before the said general Meeting.

VII. The said Subscriptions, (after deducting the Charge of Printing and other *extra* Expences of the Society) shall be applied towards the Maintenance and Education of poor Orphans of Clergymen of the Church of *England*; Preference to be given to such of them (*ceteris paribus*) as have lost both Father and Mother.

VIII. No Children shall be eligible into this Charity, under the Age of Seven Years, or above Twelve, or without proper Certificates from the Ministers and Churchwardens of the Parishes where they live, signifying their exact Age, and that they are of good-natured and sober Dispositions, of healthy Constitutions, and proper Objects. (*A Form of which Certificate may be had of the Chairman, Deputy Chairman, Treasurer, or Secretary.*)

IX. They shall be elected by Ballot, at the general Meeting in *February*, or Monthly Meeting in *August*, the Number to be elected, being resolved on, and declared at the Meeting 6 Months before the Day of Election, and the proper Petitions and Certificates being first transmitted to the Society at any intervening Monthly Meeting, or to the Secretary for the Time being.

X. There shall be allowed for the Maintenance and Education of each BOY, a Sum not exceeding Ten Pounds *per Annum*; and of each GIRL, a Sum not exceeding Twelve Pounds *per Annum*.

XI. They shall be sent to the Society's Schools, and be subject to their Orders from Time to Time, and a Sum not exceeding Twenty Shillings shall be allowed towards the Expence of removing each Child to or from the said Schools.

XII. The Children so elected, shall be provided by their Friends with the following Cloathing, *viz.*

Every GIRL with two Gowns, One Hat, One Pair of Stays, Four Day Caps, Four Night ditto, Two Pair of Stockings, Two Pair of Shoes, One Pair of Pattens, One Pair of Gloves, One Pair of Pockets, Two Upper Petticoats, Two Flannel or Duffil ditto, Two Neck Handkerchiefs, Three Pocket ditto, Two white Aprons, Two coloured ditto, Five Shifts, One Hood, One Cloak.

XIII. The Ladies who are, or whose Husbands are Subscribers, are desired to inspect the Education and Behaviour of the GIRLS, and

and to favour the Secretary (who will always be ready to attend them) with their Sentiments, to which the greatest Attention will be paid by the Society.

XIV. No Gentleman shall be admitted to visit the GIRLS but in Company of one of the Officers or Auditors of the Society; nor any Lady (unless a Subscriber, or the Wife of a Subscriber) without a Letter from one of the said Officers or Auditors.

Nor shall any of them be permitted to absent themselves from Divine Service on *Sundays*, either Morning or Afternoon, except in Case of Illness.

XVI. Such of the Subscriptions as are appropriated to either Branch of this Charity, shall be faithfully applied to the particular Purpose intended by the Donor.

XVII. The Treasurer, or Secretary shall, from Time to Time, apply to the Corporation, or Stewards of the Feast of the Sons of the Clergy for the Time being, with the Request of this Society, for putting out Apprentice such of the said Children, as shall be of proper Age.
